JOIN OUR TEAM

The Town of Trumbull is currently seeking experienced Per Diem EMTs and Paramedics to join our Emergency Medical Services team. TEMS is a high volume 911 only service providing basic and advanced life support. Our Agency provides high quality, evidence-based & patient-focused prehospital care to the Town of Trumbull.

Trumbull EMS is a progressive agency, staying up to date with evolving treatment options and incorporating innovative treatments into our practice.

We provide UTV and special operations training and support and are actively involved in community outreach and education.

Trumbull EMS has a robust volunteer and field training program. We work with many regional partners on industry initiatives such as mental health, substance abuse, pediatric emergency medicine and more.

Our regional clinical education division is rapidly growing and provides an excellent balanced track for field providers to work as educators as well as in the field.
