Sustainable Trumbull

VIRTUAL CLEAN-UPS

MONDAY, JANUARY 18TH OR ANY DAY & TIME!

HELP US REACH A **MONTHLY** GOAL OF
221 POUNDS OF TRASH FOR 2021

1. Locate a street or area in your neighborhood to PICK UP TRASH AND RECYCLABLES
2. Download the Clean Swell App, enter "Trumbull Cleanup", & log what you collect. Don't forget to wear a mask and gloves while you work. Clean Swell App:
Android App : [Clean Swell - Apps on Google Play](#)
Apple: [Clean Swell on the App Store](#)
3. If not using the app, please weigh your trash and post the total weight to the Sustainable Trumbull Facebook page, message us, or email us the total weight at sustainabletrumbull@gmail.com.
4. Sort your recyclables and trash and dispose of properly
5. **Community service hours available.** Please have a picture or screenshot of cleanup to share when requesting hours

Suggested clean-up locations

Schools ■ Town Parks ■ White Plains Road
Daniels Farm Road ■ The Rail Trail ■ Your neighborhood

14 million pounds of plastic and trash gets into our oceans and waterways, destroying wildlife and the overall planet. We must help stop this by picking up where we can. Help us keep trash from going into the Long Island Sound and other neighboring bodies of water!
