## **Black History Month**

**Friday, February 5th at 2:00 PM**

*A program put together by Fairfield County Senior Centers*

**Please join us for a special conversation with  
Adrienne Parkmond, Esq.**

The strength of American democracy depends on the ability of citizens to express their fundamental right to vote. The election may be over, but there is much we can still learn from the 2020 Presidential race. What are the challenges Black Americans face in voting? What does voter suppression look like? And what does it mean for our future to have the first woman, and first woman of color, in the second highest office in the land?

**Adrienne Parkmond, Esq.** is the Chief Operating Officer of The Workplace in Bridgeport, a \$25 million non-profit agency responsible for job training, business development and human services for youths and adults, including services for veterans, older workers, and at-risk populations. Adrienne is past President of the Board of the CT Women's Education and Legal Fund and holds a Bachelor of Science Degree in Finance from Villanova University and a Juris Doctor from Quinnipiac University School of Law.

Adrienne serves as President of the Waterbury Chapter of The Links Incorporated, one of the nation's oldest and largest volunteer service organizations of extraordinary women who are committed to enriching, sustaining and ensuring the culture and economic survival of African Americans and other persons of African ancestry. She is also President of the New Haven Chapter of Pearls of Excellence, the charitable arm of Theta Epsilon Omega Chapter of Alpha Kappa Alpha Sorority, an international service organization dedicated to being "Supreme in Service to All Mankind."
