On the *Select Resource* page, click *ConsumerReports.org*

To find reviews of a product type:

Find product reviews by searching:

- Type the product (example: "vacuum") in the search bar at the top and hit *Enter*.
- You'll be taken to a *Product Ratings* page, where you'll see a list of all product reviews that match your search, sorted from best to worst.
- Click on a product to see its numerical ratings and a descriptive review.
- Click on *Expert Advice* to see articles from the magazine, related to the product.

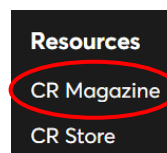

Find product reviews by browsing:

- Click on (or hover over) one of the main categories at the top of the page.
- Keep clicking on subcategories until you get to the exact product type you want.
- You'll see a list of all product reviews that fit that (sub)category, sorted from best to worst.

To find the annual Buying Guide:

- Scroll down to the bottom and click on *CR Magazine*.
- Click on *Buying Guide*, and the most recent guide will be displayed.

To read a specific issue of Consumer Reports:

- Scroll down to the bottom and click on *CR Magazine*. The current issue will be displayed, with links to each article.
- To choose a previous issue, click on *Magazine Archive*. From there, you can select a year and see all issues from that year.
